By signing, I certify the medical necessity of physical therapy services.

IN ADDITION TO PHYSICAL THERAPY SERVICES, WE OFFER THE FOLLOWING WELLNESS PROGRAMS:

- EW BODY** Massage, Joint Mobilization, and Functional Exercise.

- EW FIT** Personal training and small group fitness classes.

- EW PILATES** Reformer/Mat-Tower/Mat. Individual and small group.

- EW YOGA** Interventional and Therapeutic. Individual and small group.

- EW BALANCE** Designed to improve balance, gait and mobility while decreasing fall risk. Individual and small group.

- EW RUN** Comprehensive biomechanical evaluation and video analysis with recommendations made to improve a client's running experience.

- EW FMA** Our functional motion assessment used to identify structural and dynamic imbalances.

Wellness programs are typically not billable to a client's insurance. Programs may be location specific.
